#### **Definition of Household**

Household means *family* as defined in Section 226.2. *Family* means a group of related or non-related individuals who are not residents of an institution or boarding house, but who are living as one economic unit.

#### **Instructions for Parents or Guardians:**

Write in the name of the child care center in the space provided.

Print the name of each child in your household who attends this child care center.

**Section A:** If anyone in your household receives Food Stamps, Temporary Assistance for Needy Families (TANF) or participates in the Food Distribution Program on Indian Reservations (FDPIR), complete Section A only. Write down the Food Stamp, TANF or FDPIR number (do not use your ACS or DSS child care subsidy number). Then sign and date the form and return it to the day care center.

**Foster children:** If your household includes a foster child who is in child care, write in the names of the foster children.

**Section B:** Complete this section if you did not complete Section A. Write in your name and the names of all other adults and children living in the household, including unrelated people, even if they do not have any income. Do not include the children in child care who are listed at the top of the form.

Enter the amount of income each person received **last month**, before taxes or anything else was taken out. Refer to the Definition of Income and the Definition of Household, above. If any amount last month was more or less than the usual, write in that person's usual income.

#### **Instructions for Centers and Sponsors:**

**The For Sponsor Use Only section is to be completed, signed and dated by center or sponsor staff.** The sponsor/center representative must review the income eligibility form and ensure that it is completed as indicated in the instructions above. Then indicate the following:

##### **The Sponsor Agreement Number.**

**Total Household Members** – This item does not have to be completed if the parent completed Section A. Add those indicated in Section B (if completed) to the children enrolled in child care and the number of foster children, if applicable.

**Total Income** – This item does not need to be completed if the parent completed Section A. Indicate the total monthly income as calculated from Section B. If the parent chooses not to disclose income, the form must be categorized as *paid*.

**Free, Reduced or Paid** – Compare the total household income and the total number of household members with the current year's Income Eligibility Guidelines (CACFP-3687) to determine if the household should be categorized as **Free, Reduced or Paid**. Use the appropriate column on the CACFP-3687 to categorize their income. For example, if the parent indicated biweekly income, multiply this amount by 26 to determine yearly income.

Incomplete forms (missing signatures, income information, or Food Stamp, TANF or FDPIR numbers) are categorized in the paid category.

**The income eligibility form is valid until the last day of the month one calendar year from the date it is signed by the household member.** For example, a form signed on May 12, 2011 is valid until May 31, 2012.
